

CCF-MiSACWIS Project
Conference Call #10, August 25, 2015
Key Point Summary

- Reminder: Historical, monthly 206b/207 details will not be available in the new budget application—only yearly totals. If you think you will need individual months, you will need to print or electronically store those from JJOLT prior to 10/1/2015. The same is true for JJOLT reports for Fiscal Year (FY) 2015.
- If you are behind in your 206b/207 entries, please get those in as quickly as possible.
- Train-the-Trainer trainings for the 206b/207 process and MiSACWIS budget have been completed and went very well. Thank you to all who have volunteered to participate as back-of-the-room trainers. We appreciate your help.
- DHS-815 security agreements should be scanned and emailed to mcelhonec@michigan.gov not to the address on the form.
- 20% of the current CCF Users have NOT completed the Security Training and mandatory Test. If you are one of this 20%, please complete the training and test (test is at the end of the training—another link) now. The link to the training is at: http://www.michigan.gov/dhs/0,4562,7-124-5455_72083---,00.html
- The 206b/207 Trainings will begin 8/27. The link to the registration is at: http://www.michigan.gov/dhs/0,4562,7-124-5455_72083---,00.html. Please register for a training now. Registration for each training will close one week prior to the training.
